EDUCATION

STI College Calamba

2021 - 2025

Bachelor of Science in Information Technology

Calamba, Laguna

- Cum Laude | **GWA: 1.5**
- Courses: Web Development, Mobile Application Development, Game Development, Object-Oriented Programming, Data Structures & Algorithm, Computer Graphics Programming, Systems Integration and Architecture (SAP 1 & 2), Advanced Database Systems, Application Development, Network Technology 1 & 2, Operating Systems, Cybersecurity

WORK EXPERIENCE

PCM Cosmetic Products Trading

Feb 2025 - May 2025

IT Intern

Dasmariñas, Cavite

- Helped develop a task planner website to make it easier for the team to manage their daily tasks.
- Gained hands-on experience in maintaining and troubleshooting office equipment, including cleaning and resolving issues with printers and CCTV systems.

LEADERSHIP EXPERIENCE

Capstone Project Leader | E-Commerce Website

Feb 2025 - May 2025

- Led a capstone project team in creating a **Computer Parts Website** that offered an easy and smooth online shopping experience. Managed the project schedule, assigned tasks, and guided the team to work well together. Also worked as a **MongoDB, Express JS, React JS, Node JS (MERN) Stack** programmer, building important features like product management, user login, and a mobile-friendly design, leading to a fully working and successful project.

PROJECTS

SKUDL WEBSITE

PORTFOLIO WEBSITE

Computer Parts E-Commerce | Website

MERN Stack | Tailwind CSS | Tailwind CSS

- Build and deployed a responsive e-commerce platform for computer parts.
- Integrated **Stripe** for secure payments and managed data using **MongoDB** and **Express.js**.
- Designed a clean UI with **React** and **Tailwind**, ensuring a mobile-friendly experience.
