EDUCATION

STI College Calamba - BS Information Technology

2021 - 2025

- Cum Laude | **GWA: 1.5**
- Relevant Coursework: Web Development, Mobile Application Development, Game Development, Object-Oriented Programming, Data Structures & Algorithm, Advanced Database Systems, Application Development, Operating Systems, Cybersecurity

PROJECTS

SKUDL Website

HTML | CSS | JavaScript

- Developed a **learning resource website** providing accessible materials on **Citizenship Advancement Training (CAT)** and **Reserve Officers' Training Corps (ROTC)** in the Philippines.
- Built using **HTML**, **CSS**, and **JavaScript**, focusing on clarity and ease of navigation.
- Deployed the website using **Vercel** for reliable and fast hosting.

Portfolio Website | [Live Preview](#) | [Source Code](#)

React JS, Tailwind CSS, Node.js

- Built a **personal portfolio website** to showcase my web development projects and design work.
- Developed using **React.js**, **Tailwind CSS**, and **Node.js**, ensuring a responsive and visually appealing interface.
- Deployed on **Vercel** for fast and reliable hosting.
- Integrated **EmailUS** to enable direct email messaging through the contact form.

Computer Parts E-Commerce | [Live Preview](#) | [Source Code](#)

MERN Stack | Tailwind CSS

- Built and deployed a **responsive e-commerce platform** for computer parts.
- Integrated **Stripe** for secure online payments and managed data with **MongoDB** and **Express.js**.
- Designed a clean, **mobile-friendly UI** using **React.js** and **Tailwind CSS**.
- Deployed full-stack web applications using **Vercel** for hosting and **Cloudinary** for image management and optimization.

WORK EXPERIENCE

PCM Cosmetic Products Trading | *IT Intern* | *Dasmariñas, Cavite*

Feb 2025 - May 2025

- Helped develop a **task planner website** to make it easier for the team to manage their daily tasks.
- Gained hands-on experience in maintaining and troubleshooting office equipment, including cleaning and resolving issues with printers and CCTV systems.

LEADERSHIP EXPERIENCE

Capstone Project Leader | *Computer Parts E-Commerce Website*

2023 - 2024

- Led a capstone project team in creating a **Computer Parts Website** that offered an easy and smooth online shopping experience. Managed the project schedule, assigned tasks, and guided the team to work well together. Also worked as a **MongoDB**, **Express JS**, **React JS**, **Node JS (MERN) Stack** programmer, building important features like product management, user login, and a mobile-friendly design, leading to a fully working and successful project.
